ACTION REQUESTED BY THE SUPERINTENDENT: That the School Board approve a professional services consulting contract to TRIAD Engineering, Inc of Winchester, VA for \$87.0K to perform construction testing services for the ES2005.

KEY POINTS:

1. TRIAD Engineering, Inc is currently on the Stafford County Public Schools open-end professional consulting services contract.
2. Scope of construction testing services will include all required on-site, and laboratory testing, monitoring/inspections, and submittal of reports for concrete (foundation, slabs, etc..), steel (re-bar, structure steel joist, connectors, etc...), soils (grading, compaction, etc...) and asphalt paving.
3. We estimate these services will be required on a full-time basis for approximately 20 weeks and on an intermittent basis for an additional 12 weeks
4. Stafford County Public Schools Planning & Construction Department is currently using TRIAD Engineering Inc, for testing services for the Margaret Brent ES and HS2005.
5. Funding for this effort has been accounted for in ES2005's Capital Improvement Program funding.

SCHOOL BOARD GOAL:#5 – Provide facilities that promote student learning and community support.

#7 – Provide school environments where teachers are safe to teach and students are safe to learn
